“I am honored to announce my campaign for County Executive. With your support, I will lead Harford County with transparency, honesty and integrity.”

What's important to Pat is family, faith and community

Vincenti's Experience

Vincenti's Plan:

- ✓ Vincenti is consistent on the issues that matter to Harford County and will **control spending** so we can live within our means.
- ✓ **Preserve our agricultural heritage and rural legacies** while working to enhance economic development opportunities, demand adequate infrastructure, **improve roadways** and support our small businesses.
- ✓ Restore **support for our public safety** and **quality education**

“When Progressive Maryland lawmakers were trying to take away our ability to work with ICE to deport Criminal Illegal Immigrants, Council President Pat Vincenti stood proudly with Public Safety when few dared to speak out on the issue.”

- Sheriff Jeff Gahler
